

MEDICINE HAT REGIONAL GATHERING

2026 REPORT

EVENT SUMMARY

This year's Regional Gatherings brought together passionate individuals from across the region who share a common goal: supporting older adults and strengthening our communities.

Mayor Linnsie Clark opened the day, followed by a helpful presentation from the Office of the Alberta Health Advocates. The Legacy Lab helped to shape the day's conversations while the Conversation Cafes allowed participants to share experiences, learn from one another and build genuine connections.

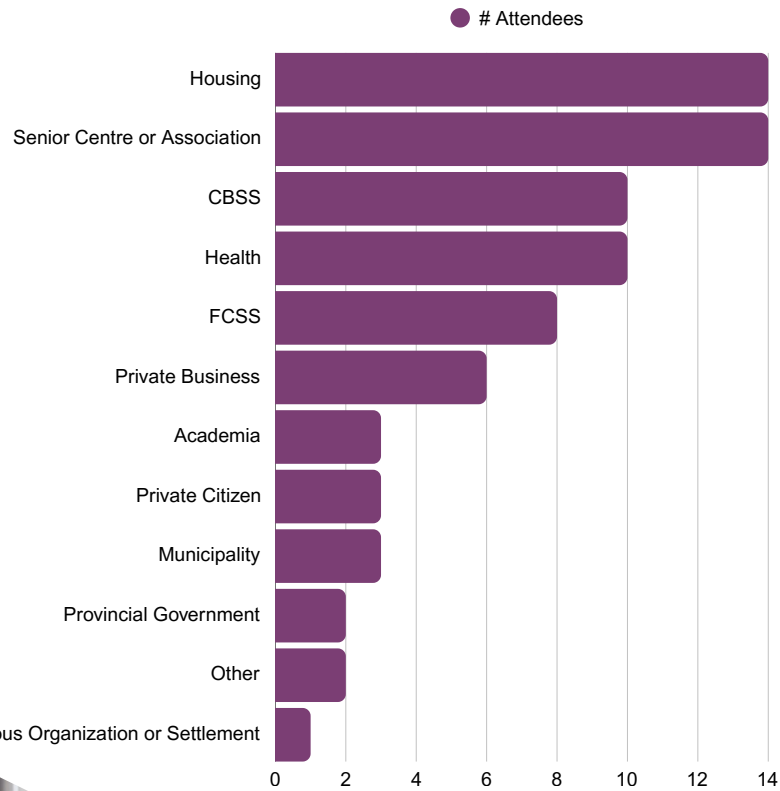

The day was full of warmth, laughter and new friendships, with older adults at the center, creating a truly welcoming and uplifting community-driven experience. Thank you so much to Chinook Village for generously donating the beautiful venue!
