

EDMONTON REGIONAL GATHERING

2026 REPORT

EVENT SUMMARY

This year's Regional Gathering brought together passionate individuals from across the region who share a common goal: supporting older adults and strengthening our communities.

Attendees connected with others doing similar work and engaged in collaborative discussions and hands-on activities, gaining practical ideas they can bring back to their own organizations and communities.

We acknowledged the contributions of retiring CLC member-Shelia Hallett, whose thoughtful guidance, insights, and ongoing efforts have helped shape our initiative.

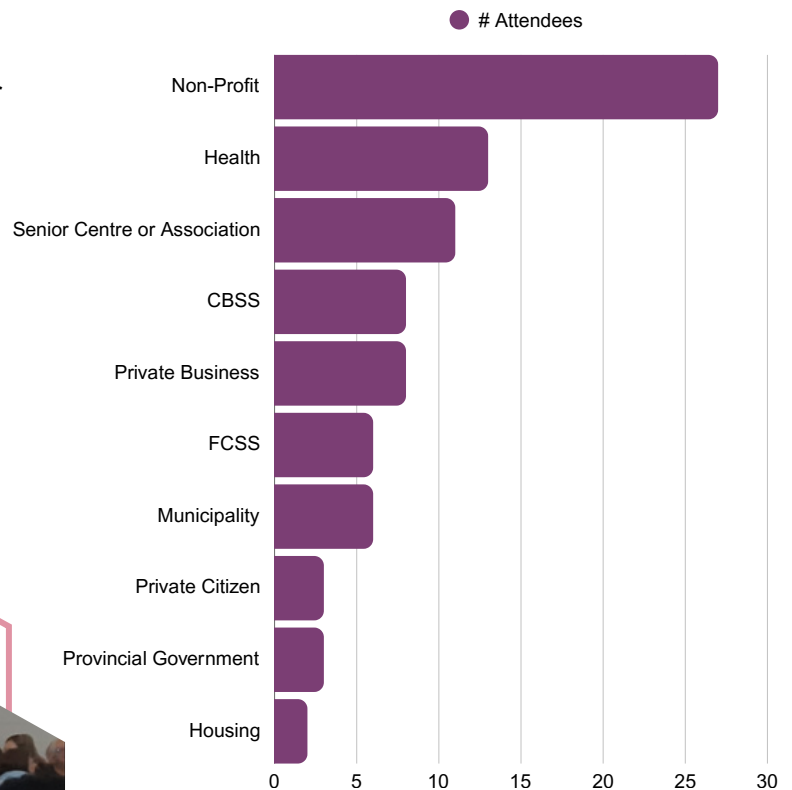

A big thank you to the Southeast YEG Men's Shed and the CPCLW team for your help with event logistics. And thank you to Chartwell for generously sponsoring our delicious lunch; your support is greatly appreciated!

Highlights:

- Legacy Lab workshop
- The Community Hub announcement
- Spotlight presentation from the Office of the Alberta Health Advocates
- Conversation Cafes & networking
- Cluck Norris the chicken!
