In the spirit of our journey to promote reconciliation, we honor the truth of our shared history and acknowledge the traditional territories of the people of the Treaty 4, 6, 7, 8, and 10 Regions of Alberta and the Métis people of Alberta (Regions 1 to 6). We also recognize the Inuit people who have made their home here.

HAPPY INTERNATIONAL SOCIAL PRESCRIBING DAY!

Today is an opportunity to celebrate social prescribing and recognize all the work community connectors, link workers, local community groups and regional and national organizations do to support people's health and well-being.
