

Coordinated Pandemic Response (CPR) Packages & PPE Supplies Program: Information Sheet

The Edmonton Seniors Services Pandemic Response is comprised of task groups with representation from the above organizations to improve coordination of the delivery of critical services and social programming during the pandemic.

What is included in the program?

The Edmonton Coordinated Pandemic Response Group has secured resources to distribute essential PPE supplies and other resources to seniors throughout Edmonton. This program provides low-income seniors access to the following resources and supplies. Every client referred to the program will automatically receive access to the PPE package. The activity, hygiene, incontinence and M&M Meats packages are optional add-ons depending on the client's needs.

PPE Package

All PPE supplies will be provided in alignment with Health Canada recommendations and from the approved list of products. PPE supplies will include:

- Medical masks (up to 4 per person)
- Hand sanitizer
- Disinfectant wipes or spray
- Instructions on how to use the supplies safely.
- Information on how seniors can stay safe as Alberta opens up.

Optional Packages

A. Activity Package

Activities that may be included in an activity package include:

- Puzzle
- Colouring book
- Puzzle book (e.g. crossword/word find)
- Pencil/Pen/Marker

B. Hygiene Package

The hygiene package will be a continuation of the Meals on Wheels Essential Kit program. These supplies will include:

- Toilet paper
- Bar soap
- Lotion
- Facial tissue
- Hand soap
- Toothpaste
- Shampoo

C. Incontinence Supplies

The incontinence supplies are an optional add-on to any of the above packages. Currently, the incontinence supplies will include access to underwear/pull-ups (in M, L and XL) and pads. These supplies will be distributed based on the individual's needs.

If you are requesting access to incontinence supplies on behalf of a client, please indicate what type of product and what size is needed.

D. Denture Cleaning Supplies

Denture cleaning supplies are an optional add-on to any of the above packages.

E. M&M Meats Package

If a client is experiencing food insecurity, donated frozen M&M Meats products can be added-on.

How can my client(s) access the program?

Clients can be referred to the program through participating organizations.

If you ONLY need to access masks for multiple clients, please provide the number of mask packages you would like to receive and email packages@mysage.ca.

If you have a client who would benefit from more of the above packages/supplies, please complete the attached fillable PDF with the below information and send us an email at packages@mysage.ca. As the other materials in these packages are funded through the Federal Government's New Horizons for Seniors Program's emergency funding, we are required to capture this information for *each client* referred:

- Name of client
- Phone number of client
- Address of client
- Age of client
- Optional packages requests (e.g. activity, hygiene, incontinence & M&M Meats package)
- Method of delivery requested (see below for details)

For seniors living in the community who wish to access the program on their own (i.e. without referral through an external organization), they call 780-701-9007 and leave a message. They will be called back by a Sage Seniors Association employee to schedule a delivery.

How will the packages be delivered?

Packages will be scheduled to be delivered in two ways:

- A. Scheduled by Sage to be delivered to the client through Drive Happiness
- B. Scheduled to be picked up at Sage and delivered to the client by the referring organization
