- Diverse representation on critical issues
- Leadership opportunities available
- General Group Members welcome!

A few of our groups are looking for group leaders from across the province!

Current Callouts:

- **Food Security group** has had capacity changes this year and is looking for more group (co)leads to support the current group leads.
- **Emergency and Disaster Preparedness group** has had capacity changes this year and the current leads are retiring. With this ever increasing issue, this important group is looking for new leads to step in.

We need you!

Whatever your capacity level, there is a place for you on CORE Alberta.
